

International Federation of Gynecology and Obstetrics (FIGO)
**Summit on Shaping Our Planetary Legacy:
Setting an Agenda for Environmental Reproductive Health
October 4, 2015**

LOCATION: Vancouver Convention Center Room 205-206

GATHER TIME/COFFEE - 9:30am -10:00am

Meeting time – 10:00am – 4:00pm

The **goal** of the FIGO Pre-Congress Summit is to develop a preliminary plan of action to address exposure to toxic environmental chemicals.

This interactive workshop brings together leaders of reproductive health professional societies from around the globe to develop a plan of action to address exposure to toxic environmental chemicals. Together, workshop participants will develop a preliminary action plan for research and policy. There will be a critical need for the FIGO Working Group on Reproductive and Developmental Environmental Health (RDEH) to carry this agenda forward and develop new directions, as needed.
